

Intertek Total Quality Assurance expertise, delivered consistently with precision, pace and passion, enabling our customers to power ahead safely.

intertek

Total Quality. Assured.

Intertek is a leading Total Quality Assurance provider to industries worldwide.

PUBLIC TRAINING PLAN 2018

**TOTAL QUALITY.
ASSURED.**

Training

Equip your team with the vital training they need to remain at the top of their profession.

You need team members whose skillsets are as current as possible and primed to fulfil their role to the best of their abilities. Our qualified instructors provide essential knowledge through logical, in-depth, beneficial training sessions on-site, in the field, and at convenient Intertek locations around the world.

Our expertise covers international and regional regulatory developments, customer and legal compliance requirements, good manufacturing practices, quality management systems certification. Through our professional training services we aid our clients, improving business processes and products, and fulfilling demands.

Our training options vary from courses on set dates, times and locations to tailored options taught on your own premises or from one of our fit-for-purpose centres around the globe.

Engage our training experts and services and gain assurance that your business is doing all it can to ensure your key personnel are at the top of their profession.

IRCA-Registered Training Courses

The course is registered by the International Register of Certified Auditors (IRCA), and meets part of the training requirements for individuals seeking registration as an auditor or lead auditor under the international scheme

Public Training Course

Intertek training seminars pack in many value-added features to an already affordable investment.

In-house Training Course

Intertek can be trained in your organization at any time. All courses in the training plan and teaching methods can be tailored to suit the needs of your organization.

All of our courses include:

- Expert instruction from experienced auditors and trainers, and ample opportunity to work and learn directly with them
- A certificate to document your attendance
